HISTORIC AMERICAN BUILDINGS SURVEY

FRED NARUP HOUSE

HABS No. MO-1406

Location: Fourth and Elm Streets, Washington, Franklin County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built pre-1855 by Narup, a carpenter. House later belonged to Henry Tibbe, originator of the corn cob pipe. His son, Anton Tibbe, had house raised to present location because it was originally in a hollow. Recently remodeled (1936) by Dr. B.E. Dickson, who has his office and residence there.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp, HABS historian. A master list is available in the ~~MO-1800~~ records for MO-1800.
